EXPERIENCE

Instructional Specialist

EdX

2023-Present

Remote

Aids lead instructor during online classes in a Full-Stack Web Development Course, covering the fundamentals of front and back end technologies and practices.

Key Accomplishments:

- Quick peer and student bonding provided more relaxed learning atmosphere.
- Proficiency and leadership qualities recognized by Team Leaders, resulting in my leading a separate study group for University of Minnesota's cohort

Production Specialist
Sneak Preview Productions
2020-2023
Hollywood, CA

Worked as a Rehearsal Coach to lead actress on film, "The Prank", and Assistant to both lead actress and head producer on film.

Key Accomplishments:

- Rapid memorization: Memorized all of the lead's scenes to enable line-rehearsals to enable line-rehearsal whilst driving lead to and from sets and locations.
- Improvised a teleprompter system for several technically-worded scenes.
- Provided fluid communication as liaison between the film's producers, director, and lead actress.

Writer
Silby Street Productions
2022
Los Angeles, CA

Writing room assistant and writer for a developing tech-fantasy anime series from AKA Virtual Productions.

Key Accomplishments:

- Fantasy and tech background, combined with creativity, resulted in promotion to co-writer.
- Helped create entire fantasy universe's backstory and show's bible
- Fully developed several primary and secondary characters
